ONLINE BEHAVIOR
Netiquette
Penn Foster expects students to be courteous and polite in the online environment. Students should use good judgement when communicating online with faculty, staff, and other students through email, chat, social media groups, and other online forums sponsored or supported by Penn Foster.

**PROGRAM MATERIAL AND COPYRIGHT NOTICE**

Penn Foster or its vendors hold all ownership rights in the Program materials. Students are strictly prohibited from copying and/or providing to any third party all or any part of the Program materials that Penn Foster provides to students without Penn Foster’s written consent. **DISCIPLINARY ACTION**

Any inappropriate behavior can result in disciplinary action ranging from a failing grade on an exam or for a course, to academic probation, to dismissal from Penn Foster. Faculty and staff members will report inappropriate behavior by students to the Academic Review Board (ARB) for review, at which point the student will be asked to respond in writing to the charge. The ARB will then make a final decision regarding the student’s standing with Penn Foster.

**SATISFACTORY ACADEMIC PROGRESS POLICY**

**Standards of Progress:**

Learners are given a specific time frame to complete a program. Most programs are 12 to 18 months in length. Learners may progress more quickly through the program, but are contractually required to complete it within the time frame established for that
STUDENT GRIEVANCES

STUDENT GRIEVANCE POLICY
Most student complaints can be handled at first point of contact with the school. Student complaints are addressed using the policies and provisions of the enrollment agreement, student catalog, and academic requirements of the school. Students who have a complaint should contact their instructor regarding academic issues or a student service supervisor regarding servicing issues. The instructor or student service supervisor will provide a verbal or written response depending on the student’s preferred choice of communication. If the student believes that the complaint has not been properly handled at that point, the student should use the following procedure to register a grievance.

STEPS IN GRIEVANCE PROCEDURE:
1. The student should contact the Academic Team Lead for academic issues or Manager, Student Services either by phone or in writing expressing his/ her concern within 30 days of receiving a response to the original complaint. The Academic Team Lead or Manager, Student Services will respond either by phone or in writing within two weeks of receiving the complaint.

2. If the student feels that the issue is still unresolved, he/she has 30 days to express continued concerns either by phone or in writing to the Program Director or Director, Student Services. A response will be sent to the student within 2 weeks.

3. If the student still believes the grievance is unresolved, he/she may complete the school’s grievance form within 30 days from receiving the response from the Vice President of Education and Academic Dean or Director, Student Service. This form can be obtained by contacting Student Service Center. The form can be emailed, faxed, or mailed to the student.
4. All grievance forms will be returned to the Vice President of Education and Academic Dean, who will turn them over to the Dispute Resolution Committee. The Dispute Resolution Committee will meet and render a decision within two weeks of receipt of the grievance form. The decision of the Committee will be final and will be sent to the student in writing.

5. All grievance forms and final decision notifications will be filed in the office of the Vice President of Education and Academic Dean.

6. If the complaint cannot be resolved after exhausting the institution’s grievance procedure, the student may file a complaint with the Pennsylvania State Board of Private Licensed Schools, Harrisburg PA or the DEAC, 1101 17th Street NW, Suite 808 Washington, D.C. 20036. The student may also contact the DEAC at 1101 17th Street NW, Suite 808 Washington, D.C. 20036 and at www.deac.org.

Residents of the following states can access information to file a grievance/complaint as listed below: Georgia – https://gnpec.georgia.gov/student-complaints

COMPLAINTS AGAINST FACULTY
If a student has a complaint regarding treatment by a member of the faculty or suspects a conflict of interest, the student should report this complaint to the Program Director of the Department in which the student is enrolled. If the student has consulted with the appropriate supervisor and still believes that the matter has not been dealt with satisfactorily or equitably, the student should contact the Vice President of Education and Academic Dean. If the complaint is still not resolved, the student must submit a formal written signed complaint to the school’s Academic Review Board for further consideration.

GRADE APPEAL
Students who wish to dispute a grade or an answer to a question should contact their instructor. Only an instructor has the authority to change a grade. If the student is not happy with the grade appeal results, he/she should follow the “Student Grievance” procedure listed in this catalog.

EXTENSIONS
Depending on the program, students are given a certain amount of time to complete all the lesson assignments. Students may request a six-month paid extension. Students who do not complete the program within the required time may need to re-enroll in the program that is current at that time. Previous work would be evaluated against the current curriculum to determine which courses or lessons could be transferred into the new enrollment.

STUDENT ORIENTATION
All new students enrolled at Penn Foster Career School must complete an orientation at the beginning of their program. This orientation introduces students to the particular field of study and orients them to the process of distance learning and how it is conducted with Penn Foster Career School.

SUGGESTIONS FOR MORE EFFECTIVE STUDYING

• Set up a special place in your home to do your studying and keep all your materials there, within easy reach.
• Schedule your study time. Make sure it doesn’t conflict with other important activities.
• Frequent, brief study sessions are more effective than long, “cramming” marathons.
• Make sure to do all the self-check quizzes in the lesson.

TIPS ON COMPLETING YOUR EXAMS
When it comes time to take your exam, make sure you follow the directions carefully. If you don’t understand what you are supposed to do, don’t hesitate to call Penn Foster and ask for help.

SUBMITTING YOUR EXAMS
You must submit all exams online using the Penn Foster exam system that you access from your student portal.

To access an exam, click on Take an Exam next to the appropriate lesson title. If the exam involves an essay or a writing assignment, you’ll be asked to attach a file of the assignment to submit it to the school.

Read each question carefully before you choose your answer. If you’re unsure of an answer, you can mark the question for review by clicking a button at the bottom of the question. Before you submit the exam, you’ll be able to see a summary of all of your answers and make changes if you so desire.

EXAM RESULTS
Students must access the Penn Foster student portal to get evaluations as well as receive feedback. The evaluations will tell students which answers (if any) were incorrect. If students have a question or problem with the exam evaluation, they should contact the school immediately.

| Exams Taken between May 21, 2013 and December 14, 2016 | Students may retake the exam whether their score was passing or failing on the first attempt. The retake must be submitted within 30 days of the initial submission, or the first attempt will become the final grade. Students earn the higher of the two grades. |
| Exams taken between December 15, 2016 and October 18, 2017 | Students earning a passing score on the first attempt are not eligible for a retake. If the first attempt score is failing (below 65%), students have the option to retake the exam.* (See below). The highest score a student can earn on a retake exam is 65%. If a student scores below 65% on the retake exam, the student will earn the higher of the two scores.* (See below). |
| Exams taken starting October 19, 2017 | Students are given two chances to pass each exam. An exam may be retaken as soon as the first attempt has been graded; there is no waiting period. Regardless of whether the first attempt resulted in a passing or failing grade, students are given one opportunity to retake the exam and earn the higher of the two scores. This policy is effective for all open exams on a student’s record as of October 19, 2017. |

Students are presented with a new exam for the retake and must submit the ENTIRE retake online. The retake must be submitted within 30 days of the initial submission, or the first attempt will become the final grade.
For all other exams (subjective, non-multiple choice exams), retakes are required for a failed first attempt, and not offered if the exam was passed. The highest score a student can earn on a retake exam is 65%. The retake grade becomes the final grade. Each program may contain one or more practical exercises, projects, or externships that must be successfully completed in order to meet the requirements for graduation. Some of these may be graded on a pass/fail basis.

Previous exam policies will cease as of October 19, 2017, and the above policies will apply to all exams submitted on and after this date.

**EXPECTATION**

All Penn Foster students are expected to conduct themselves with the highest academic and ethical standards. Failure to do so will result in disciplinary action. Students who do not achieve passing grades may be subject to academic probation or dismissal. Re-enrollment in a program is not allowed if the student was enrolled in the same program and was academically failed. Re-enrollment in another program will require review of previous coursework to determine eligibility.

On the road to success...

You have started on a journey toward a better future — a future that brings more money, security, and greater career satisfaction. All of us at Penn Foster Career School will do everything we can to make that journey a rewarding one. But there may be times when you find it hard going...maybe your job or family is demanding more of your time, or completing your program seems too far out of reach. If you start to feel that way, just remember these important facts:

- A good way to stay motivated is to remember why you enrolled. You have a dream of building a better life for yourself, and you have already shown you have the dedication. Don’t let anything stop you from achieving your goals.

- Anytime you have a problem with something in your lessons or a question about your Penn Foster experience, contact the school. Every student is important to us — and we want to see you achieve success. You can always turn to your instructor or our helpful Student Services staff for help.

- Set up your Study Planner, and stick to your study schedule as much as you can — but it’s okay to give yourself a day off now and then, too. Holidays, special occasions, or just a day to “recharge your batteries...” but don’t take too many, because you want to keep moving toward graduation.

- Most of all, take pride in what you are accomplishing. So many people never try to make their dreams come true — just by enrolling, you have shown you are someone who sets goals and works to achieve them. You have much to be proud of.

GOOD LUCK from all of us at
Penn Foster Career School!
