ACADEMIC INTEGRITY

STUDENT IDENTITY VERIFICATION

All new students are provided with a unique student number. This student number should not be shared with anyone else. In order to gain entry into the online learning management system and access student materials, students need to enter their student number and a unique password that restricts anyone else from accessing their student record. Sharing student numbers or passwords with any other individual is in violation of the Code of Conduct and can lead to disciplinary action. Students will also need to provide a government-issued photo ID during the proctored exam process to verify their identity.

Students are required to update Penn Foster with any change to their account information, including name, address, email, and phone number.

Penn Foster official communications are sent by electronic communication (email, message center, etc.) or postal mail.

Most official forms require electronic communication by email, unless forms or directions state otherwise. Students are responsible for official Penn Foster communications sent to them, and should check their email accounts and message center regularly and respond, when needed to any communications sent from Penn Foster.

STUDENT CODE OF CONDUCT

Penn Foster students, faculty and staff are held to the highest standards of academic integrity. Penn Foster's Student Code of Conduct protects the rights of students, faculty, staff, and Penn Foster itself. This code ensures that all student and faculty/staff interactions are characterized by mutual respect and civility. All Penn Foster students and those authorized to speak on students' behalf are required to abide by all standards and policies established by the school in their academic work and their personal conduct.

Students should

- Treat fellow students, faculty, and staff with courtesy, respect, and dignity and behave in a manner that reflects the integrity of the school.

ONLINE BEHAVIOR

Netiquette

Penn Foster expects students to be courteous and polite in the online environment. Students should use good judgement when communicating online with faculty, staff, and other students through email, chat, social media groups, and other online forums sponsored or supported by Penn Foster.

In course or classroom environments such as webinars and discussion forums, students should demonstrate respect for their instructor and classmates by honoring others' opinions, acknowledging disagreements honestly and thoughtfully,

and being prepared to clarify statements others may have misinterpreted or misunderstood.

Students should always sign their names on any online communications and contributions. Students should also respect their own privacy and the privacy of others by not revealing personal or embarrassing information about themselves or others.

Students should avoid discourteous behavior such as using all-caps, trolling, flaming, spamming, and any other forms of inappropriate behavior and communication.

Bullying

Penn Foster defines bullying as an intentional electronic, written, verbal, or physical act or series of acts that

- Occur in a school setting, whether in person or online;
- Is severe, persistent or pervasive;
- Is directed at another student(s) or member(s) of the Penn Foster faculty, staff, or administration; and
- Impacts the institution in any of the following ways:
 - o Substantially interferes with a student's education
 - o Creates a threatening environment; or
 - o Substantially disrupts the orderly operation of the school.

As an online institution, Penn Foster is not limited or prohibited from defining bullying in such a way as to encompass acts that occur outside a school setting if those acts fall under the above definition of bullying.

Penn Foster does not tolerate bullying in any form. Abusive behavior, such as

threatening, insulting, and doxing, in any of Penn Foster's digital environments, including Penn Foster's social media sites and groups, email, chat, and phone calls, should be reported to a faculty or staff member for investigation.

Violations of Penn Foster's netiquette and bullying policies will result in disciplinary action.

ACADEMIC HONESTY

Students are expected to complete coursework, exams, and graded projects according to instructions and to contact their instructors for help with coursework.

Students should

- Complete all coursework as directed, including required reading, self-check and discover more exercises, discussion boards, exams, skills, and graded projects, as well as required paperwork for site selection, field experience, externships, and practicums.
- Use materials provided by Penn Foster to complete coursework, and properly acknowledge any outside resources used in the preparation of exams and graded projects.
- Contact a faculty or staff member for help with coursework.
- Never ask for, receive, or give unauthorized help on graded assignments, quizzes, projects, or examinations via any method including email or the internet.

Violations of Penn Foster's Academic Honesty policy include but are not limited to:

- Collaborating with another student or students, either in person or online, to complete an assignment or project and/or submitting the same essay as a classmate or classmates.
- Colluding with another student

or students, either in person or online, who are enrolled in or have completed a course, to share an assignment or project and/or to make revisions to the same graded assignment or project to deliberately disguise similarities.

- Providing unauthorized help to another student or students by sharing coursework privately or publicly by uploading it to an online forum.
- Submitting a previously graded exam or project without first receiving permission from an instructor.
- Submitting documentation that misrepresents qualifications, clearances, and/or authorizations required for site selection, field experience, practicum, or externship.
- Submitting documentation that misrepresents the amount of time spent at a site and/or the skills or tasks performed during field experience, practicum, or externship.

Plagiarism is a violation of academic honesty that includes, but is not limited to:

- Submitting coursework that is not your own, including assignments found at online help or tutoring sites; assignments purchased online, and assignments you have paid someone else to complete for you.
- Misrepresenting someone else's work as your own.
- Failing to cite and document sources properly.
- Using online or other resources to alter someone else's work or to disguise the original source.

The Academic Honesty policy applies to all Penn Foster students. An official of Penn Foster may, at his/her discretion, take disciplinary action that ranges from a warning to academic probation to dismissal from the school for failure to comply with the Academic Honesty policy.

PROGRAM MATERIAL AND COPYRIGHT NOTICE

Penn Foster or its vendors hold all ownership rights in the Program materials. Students are strictly prohibited from copying and/or providing to any third party all or any part of the Program materials that Penn Foster provides to students without Penn Foster's written consent. If a student violates this prohibition, they may be subject to criminal and civil penalties and fines, as well as disciplinary action up to and including expulsion from the Program.

DISCIPLINARY ACTION

Any inappropriate behavior can result in disciplinary action ranging from a failing grade on an exam or for a course, to academic probation, to dismissal from Penn Foster. Faculty and staff members will report inappropriate behavior by students to the Academic Review Board (ARB) for review, at which point the student will be asked to respond in writing to the charge. The ARB will then make a final decision regarding the student's standing with Penn Foster.

SATISFACTORY ACADEMIC PROGRESS POLICY

Standards of Progress:

Learners are given a specific time frame to complete a program. Most programs are 12 to 18 months in length. Learners may progress more quickly through the program, but are contractually required to complete it within the time frame established for that specific program. Time frames may vary for international learners due to shipping times. Learners may request an extension for a fee. Learners are allowed extensions up to twice the established program length for a career program. Learners who do not complete a program within the required time limit must be re-enrolled and evaluated against the current program for internal transfer credit. Learners who do not demonstrate satisfactory progress may be academically cancelled from the program. Re-enrollment in a program is not allowed if the learner

was enrolled in the same program and was academically failed. Re-enrollment in another program will require review of previous coursework to determine eligibility.

Academic Probation/Cancellation

Learners who continually score below the passing average on exams may be placed on academic probation for a period of time during which grades will be closely monitored. Continued academic failure may result in the learner's record being submitted to the Academic Review Board. The Academic Review Board members will consider the academic progress of the learner and, with the approval of the Vice President of Education and Academic Dean, determine if cancellation is required. If cancelled, the learner will be notified in the mail, and the Refund Policy will be applied.

Program structure:

Learners are admitted to the complete program upon enrollment. The learner progresses through the program in a linear-path, starting with the first course. As lessons are completed, the next course will be available to the learner.

Students using GI Bill benefits who have a lesson average below 65 after completing 25% of their lessons will be placed on academic probation and their performance will be monitored by instructors and academic advisors. Students using GI Bill benefits who have a lesson average below 65 after completing 50% of their lessons will be referred to the Academic Review Board for potential academic dismissal from the program. Students using GI Bill benefits who have a lesson average below 65 after completing 75% of their lessons will be cancelled from the program by the Academic Review Board for failure to benefit academically.

STUDENT GRIEVANCES

STUDENT GRIEVANCE POLICY

Most student complaints can be handled at first point of contact with the school. Student complaints are addressed using the policies and provisions of the enrollment agreement, student catalog, and academic requirements of the school. Students who have a complaint should contact their instructor regarding academic issues or a student service supervisor regarding servicing issues. The instructor or student service supervisor will provide a verbal or written response depending on the student's preferred choice of communication. If the student believes that the complaint has not been properly handled at that point, the student should use the following procedure to register a grievance.

STEPS IN GRIEVANCE PROCEDURE:

1. The student should contact the Academic Team Lead for academic issues or Manager, Student Services either by phone or in writing expressing his/ her concern within 30 days of receiving a response to the original complaint. The Academic Team Lead or Manager, Student Services will respond either by phone or in writing within two weeks of receiving the complaint.
2. If the student feels that the issue is still unresolved, he/she has 30 days to express continued concerns either by phone or in writing to the Program Director or Director, Student Services. A response will be sent to the student within 2 weeks.
3. If the student still believes the grievance is unresolved, he/she may complete the school's grievance form within 30 days from receiving the response from the Vice President of Education and Academic Head of Academic Services. This form can be obtained by contacting Student Service Center. The form can be emailed, faxed, or mailed to the student.
4. All grievance forms will be returned to the Head of Academic Services, who will turn them over to the Dispute Resolution Committee. The Dispute Resolution Committee will meet and render a decision within two weeks of receipt of the grievance form. The decision of the Committee will be final and will be sent to the student in writing.
5. All grievance forms and final decision notifications will be filed in the office of the Vice President of Education and Academic Dean.
6. If the complaint cannot be resolved after exhausting the institution's grievance procedure, the student may file a complaint with the Pennsylvania State Board of Private Licensed Schools, Harrisburg PA, PA Department of Education, 333 Market Street, 12th floor, Harrisburg, PA 17126; phone: 717-783-6788; website address: <https://www.education.pa.gov/Postsecondary-Adult/CollegeCareer/Pages/Private-Licensed-Schools.aspx>.

COMPLAINTS AGAINST FACULTY

If a student has a complaint regarding treatment by a member of the faculty or suspects a conflict of interest, the student should report this complaint to the Program Director of the Department in which the student is enrolled. If the student has consulted with the appropriate supervisor and still believes that the matter has not been dealt with satisfactorily or equitably, the student should contact the Vice President of Education and Academic Dean . If the complaint is still not resolved, the student must submit a formal written signed complaint to the school's Academic Review Board for further consideration.

GRADE APPEAL

Students who wish to dispute a grade or an answer to a question should contact their instructor. Only an instructor has the authority to change a grade. If the student is not happy with the grade appeal results, he/she should follow the "Student Grievance" procedure listed in this catalog.

EXTENSIONS

Depending on the program, students are given a certain amount of time to complete all the lesson assignments. Students may request a six-month paid extension. Students who do not complete the program within the required time may need to re-enroll in the program that is current at that time. Previous work would be evaluated against the current curriculum to determine which courses or lessons could be transferred into the new enrollment.

STUDENT ORIENTATION

All new students enrolled at Penn Foster Career School must complete an orientation at the beginning of their program. This orientation introduces students to the particular field of study and orients them to the process of distance learning and how it is conducted with Penn Foster Career School.

ONLINE LIBRARY

Students at Penn Foster Career School will have access to an online library for use during their studies with the school. Students can use this library to do the required research in the courses they complete or can use it for general reference and links to valuable resources. The library contains helpful research assistance, articles, databases, books, web links, and email access to a librarian. Students can access the library from their home page.

Q. What is your cancellation policy?

A. The cancellation policy is provided in detail on page 7 and on the Enrollment Agreement you signed. A copy of your Enrollment Agreement will be returned to you after your application is approved.

Q. Can I earn credit for previous coursework completed?

A. In most programs, Penn Foster does not evaluate life-work experience or previous work taken at another school for transfer credit into a vocational program.

Penn Foster will evaluate previous training and consider granting credit for students using the GI Bill®. If transfer credit is applied, the program will be shortened, and the balance will be reduced accordingly.

Q. Is Penn Foster Career School accredited?

A. Yes. Penn Foster Career School is accredited for non-degree granting postsecondary diploma programs by the Commission on Secondary Schools of the Middle States Association of Colleges and Schools. Penn Foster Career School is also accredited by the Distance Education Accredited Commission (DEAC), which is recognized by the U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA). Penn Foster Career School is licensed by the Pennsylvania State Board of Private Licensed Schools. Penn Foster Career School is authorized by Georgia Nonpublic Postsecondary Education Commission to operate in Georgia.

You can earn Continuing Education Units (CEUs). Penn Foster Career School has been accredited as an Authorized Provider by the International Accreditors for Continuing Education and Training (IACET), 1760 Old Meadow Road, Suite 500, McLean, VA 22102. In obtaining this approval, Penn Foster Career School has demonstrated that it complies with the ANSI/IACET Standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider membership status, Penn Foster Career School is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET Standards. Penn Foster Career School is authorized by the Georgia Nonpublic Postsecondary Education Commission to operate in Georgia.

Q. Will work completed at Penn Foster Career School transfer to another school?

A. Work completed in Penn Foster Career School programs may not transfer to other learning institutions. Students planning to continue their education with another school after earning a diploma from Penn Foster Career School should check with that school regarding transfer policies.

STUDY TIPS AND TAKING YOUR EXAMS

When you complete a lesson, you must also complete and submit an exam using the Penn Foster online exam system. A lesson can be the content of one study unit or a reading assignment in a study guide. Most exams consist of multiple-choice questions. Lessons also feature helpful self-checks you can use to determine how well you understand the new concepts you have learned. Future lessons become available online when you submit exams, so avoid delays in your studies by submitting exams promptly.

TAKE ADVANTAGE OF THE STUDY PLANNER

The Penn Foster Study Planner will help you stay organized and on track with your studies. Use it to create a customized study plan so you can finish your program when you want to, sync your study times to your calendars, track your progress, and set alerts for when your next exam is due. Use the Study Planner to set a study plan that works with your schedule and stick to it to reach your graduation goal!

You can find your Study Planner on your Student Portal, or you can download the app from the *iOS*, *Google Play*, or *Amazon Appstore*.

SUGGESTIONS FOR MORE EFFECTIVE STUDYING

- Set up a special place in your home to do your studying and keep all your materials there, within easy reach.
- Schedule your study time. Make sure it doesn't conflict with other important activities.
- Frequent, brief study sessions are more effective than long, "cramming" marathons.
- Make sure to do all the self-check quizzes in the lesson.

TIPS ON COMPLETING YOUR EXAMS

When it comes time to take your exam, make sure you follow the directions carefully. If you don't understand what you are supposed to do, don't hesitate to call Penn Foster and ask for help.

SUBMITTING YOUR EXAMS

You must submit all exams online using the Penn Foster exam system that you access from your student portal.

To access an exam, click on **Take an Exam** next to the appropriate lesson title. If the exam involves an essay or a writing assignment, you'll be asked to attach a file of the assignment to submit it to the school.

Read each question carefully before you choose your answer. If you're unsure of an answer, you can mark the question for review by clicking a button at the bottom of the question. Before you submit the exam, you'll be able to see a summary of all of your answers and make changes if you so desire.

EXAM RESULTS

Students must access the Penn Foster student portal to get evaluations as well as receive feedback. The evaluations will tell students which answers (if any) were incorrect. If students have a question or problem with the exam evaluation, they should contact the school immediately.

Multiple choice Exam Retake Policies

Exams Taken between May 21, 2013 and December 14, 2016	Students may retake the exam whether their score was passing or failing on the first attempt. The retake must be submitted within 30 days of the initial submission, or the first attempt will become the final grade. Students earn the higher of the two grades.
Exams taken between December 15, 2016 and October 18, 2017	Students earning a passing score on the first attempt are not eligible for a retake. If the first attempt score is failing (below 65%), students have the option to retake the exam.* (See below). The highest score a student can earn on a retake exam is 65%. If a student scores below 65% on the retake exam, the student will earn the higher of the two scores.* (See below).
Exams taken starting October 19, 2017	Students are given two chances to pass each exam. An exam may be retaken as soon as the first attempt has been graded; there is no waiting period. Regardless of whether the first attempt resulted in a passing or failing grade, students are given one opportunity to retake the exam and earn the higher of the two scores. This policy is effective for all open exams on a student's record as of October 19, 2017.

Students are presented with a new exam for the retake and must submit the ENTIRE retake online. The retake must be submitted within 30 days of the initial submission, or the first attempt will become the final grade.

For all other exams (subjective, non-multiple choice exams), retakes are required for a failed first attempt, and not offered if the exam was passed. The highest score a student can earn on a retake exam is 65%. The retake grade becomes the final grade. Each program may contain one or more practical exercises, projects, or externships that must be successfully completed in order to meet the requirements for graduation. Some of these may be graded on a pass/fail basis.

Previous exam policies will cease as of October 19, 2017, and the above policies will apply to all exams submitted on and after this date.

EXPECTATION

All Penn Foster students are expected to conduct themselves with the highest academic and ethical standards. Failure to do so will result in disciplinary action. Students who do not achieve passing grades may be subject to academic probation or dismissal. Re-enrollment in a program is not allowed if the student was enrolled in the same program and was academically failed. Re-enrollment in another program will require review of previous coursework to determine eligibility

On the road to success...

You have started on a journey toward a better future — a future that brings more money, security, and greater career satisfaction. All of us at Penn Foster Career School will do everything we can to make that journey a rewarding one. But there may be times when you find it hard going...maybe your job or family is demanding more of your time, or completing your program seems too far out of reach. If you start to feel that way, just remember these important facts:

- A good way to stay motivated is to remember why you enrolled. You have a dream of building a better life for yourself, and you have already shown you have the dedication. Don't let anything stop you from achieving your goals.
- Anytime you have a problem with something in your lessons or a question about your Penn Foster experience, contact the school. Every student is important to us — and we want to see you achieve success. You can always turn to your instructor or our helpful Student Services staff for help.
- Set up your Study Planner, and stick to your study schedule as much as you can — but it's okay to give yourself a day off now and then, too. Holidays, special occasions, or just a day to “recharge your batteries...” but don't take too many, because you want to keep moving toward graduation.
- Most of all, take pride in what you are accomplishing. So many people never try to make their dreams come true — just by enrolling, you have shown you are someone who sets goals and works to achieve them. You have much to be proud of.

GOOD LUCK from all of us at
Penn Foster Career School!

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teachout plan approved -by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.

2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student

must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.
